Honorable Henry M. Jackson  
United States Senate  
Washington 25, D. C.

Dear Scoop:

I received your letter of 1 August enclosing a copy of the study on The Ambassador and the Problem of Coordination prepared by the State Department. I have read this with great interest and have made arrangements for others in the Agency to read this.

I am very appreciative of your thoughtfulness in sending me an advance copy of this study. I continue to believe that your Subcommittee in this area is performing a most useful service to the country.

Sincerely yours,

s/ John S. Warner
